#### PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the Council of the Corporation of the County of Simcoe intends to apply to the Legislative Assembly of the Province of Ontario for the passing of a Private Bill.

The purpose of the Bill is as follows:

1. To retain the fairest and most equitable method of representation on County Council.
2. To prevent the size of County Council, presently at 43 members, from increasing dramatically at the next municipal election.
3. To provide for a moderate increase of Council size on a long term basis.

In order to accomplish the foregoing, the legislation will alter the composition of County Council so that the deputy reeve of a local municipality does not become a member of the council unless the municipality has a minimum of 9,750 municipal electors instead of the current 7,500. The number of votes that a reeve or deputy reeve is entitled to as a member of council is still based on the number of municipal electors of the municipality but the reeve and deputy reeve are entitled to multiple votes at a lesser population level than currently exists.

Supporters and opponents should notify the Clerk of the Legislature of their wish to make submissions and it is recommended that supporters and objectors submit to the Clerk a brief summary of their proposed submissions.

Communications should be addressed to the Clerk of the Legislative Assembly, Legislative Building, Queen's Park, Toronto, Ontario M7A 1A2, Telephone No. (416) 965-1406.

Boards—1988.

Made—March 25th, 1988.

Filed—March 25th, 1988.

## REGULATION MADE UNDER THE EDUCATION ACT

### PAYMENT TRANSFER BETWEEN COTERMINOUS BOARDS—1988

1. In this Regulation, “assessment” and “equivalent assessment for a municipality or locality” have the same meaning as in Ontario Regulation 160/88 (General Legislative Grants), and “A.E.F. for 1979” has the same meaning as in Ontario Regulation 98/87 (General Legislative Grants). O. Reg. 161/88, s. 1.

2.—(1) For the purposes of subsection 136n (2) of the Act, for the year 1988, a Roman Catholic school board, other than The Metropolitan Separate School Board, shall pay to a public board that has substantially the same or part of the same area of jurisdiction as the Roman Catholic school board an amount that is calculated as follows:

$$\text{amount} = \frac{A}{B} \times C \times D \times \frac{E}{F}$$

where

A = the amount requisitioned for secondary school purposes in 1987 by the public board increased by the amount, if any, by which the public board reduced its requisition for secondary school purposes in 1987 as a result of a strike or lock-out of employees of the board during the year 1986,

B = the sum of the amounts for secondary school purposes for the municipalities or localities within the jurisdiction of the public board that are determined by dividing the product of 100 and the sum of the assessment for 1987 for the municipality or locality and the equivalent assessment for the municipality or locality for 1987 by the A.E.F. for 1979 for the municipality or locality,

C = 1.045,

D = the sum of the amounts for separate school purposes for the municipalities or localities within the jurisdiction of both the public board and the Roman Catholic school board that are determined by dividing the product of 100 and the sum of the

assessment for 1988 for the municipality or locality and the equivalent assessment for the municipality or locality for 1988 by the A.E.F. for 1979 for the municipality or locality,

E = the number of pupils who are qualified to be resident pupils of the Roman Catholic school board and who on the 30th day of September, 1987 were enrolled in,

(a) a secondary school operated by the public board under clause 136n (1) (a) of the Act,

(b) another public board to which the public board paid fees under clause 136n (1) (b) of the Act,

except for such pupils enrolled in a secondary school of the public board that is transferred with the approval of the Minister to the Roman Catholic school board on the 1st day of January, 1988,

F = the number of pupils who are qualified to be resident pupils of the Roman Catholic school board and who on the 30th day of September, 1987 were enrolled in a secondary school operated by the public board or the Roman Catholic school board and who reside in the area of jurisdiction of the public board,

$\frac{A}{B}$  is calculated to six places of decimal,

$\frac{E}{F}$  is calculated to four places of decimal.

(2) For the purposes of subsection 136n (5) of the Act, for the year 1988, The Metropolitan Separate School Board shall pay to The Metropolitan Toronto School Board an amount calculated in accordance with subsection (1) with necessary modifications. O. Reg. 161/88, s. 2.

3. The amount calculated under section 2 shall be paid by the Roman Catholic school board to the public board in the following instalments:

1. 25 per cent of the amount not later than the 31st day of March, 1988.
2. 25 per cent of the amount not later than the 30th day of June, 1988.
3. 25 per cent of the amount not later than the 30th day of September, 1988.

4. 25 per cent of the amount not later than the 15th day of December, 1988. O. Reg. 161/88, s. 3.

## REGULATION MADE UNDER THE EDUCATION ACT

### CALCULATION OF FEES FOR PUPILS—1988

#### 1. In this Regulation,

“A.D.E.” means average daily enrolment for 1988 calculated under Ontario Regulation 127/85 (Calculation of Average Daily Enrolment);

“current cost of operating for 1988”, “elementary school pupil”, “eligible sum for French as a first language for 1988”, “eligible sum for French as a second language for 1988”, “eligible sum for Native as a second language for 1988”, “non-resident pupil”, “O.E. for 1988”, “P.A.C.”, “R.O.E. for 1988”, “resident-internal pupil” and “secondary school pupil” have the same meaning as in Ontario Regulation 160/88 (General Legislative Grants) except that,

- (a) in respect of a board appointed under section 70 of the Act, “current cost of operating for 1988” does not include current expenditure for furniture and equipment and for debt charges, and
- (b) where a board has entered into an agreement under subsection 165 (2) of the Act that provides for a payment by the Crown in right of Canada to provide classroom accommodation for a specified number of pupils, the P.A.C. for each such pupil, shall be zero;

“high cost program” means,

- (a) a special education program, other than a program provided in the board's school in lieu of an education program provided by a provincial school for the blind and the deaf or other similar program for which a general legislative grant is payable,
- (b) a program for trainable retarded children,
- (c) a program that includes technological studies that qualify for one or more credits toward the secondary school graduation diploma or Ontario secondary school diploma, or
- (d) a program of instruction for which credit is granted that is offered in an elementary school to elementary school pupils;

“technological studies” means the courses developed from curriculum guidelines that are issued by the Minister for the intermediate division and senior division and listed under the heading “Technological Studies” in the circular entitled “Ontario School Intermediate and Senior Divisions Program and Diploma Requirements” issued by the Minister. O. Reg. 163/88, s. 1.

2.—(1) This Regulation applies to fees for pupils in respect of the year 1988.

(2) The fees of a board that provides instruction for one or more pupils in respect of whom fees are receivable shall be calculated under this Regulation separately for elementary school purposes and for secondary school purposes. O. Reg. 163/88, s. 2.

3.—(1) Except as provided in section 4, the fee in respect of a pupil whose fee is receivable from another board, from Canada or from a band, council of a band or education authority authorized by the Crown in

right of Canada to provide education for Indians or for a pupil to whom subsection 48 (6) of the Act applies shall be calculated by,

- (a) subtracting from the current cost of operating for 1988 of the board that provides the instruction, the grant payable to the board in respect of the eligible sum for French as a first language for 1988, the eligible sum for French as a second language for 1988 and the eligible sum for Native as a second language for 1988 and dividing the difference so obtained by the sum of the average daily enrolment in respect of resident-internal and non-resident pupils of the board,

- (i) calculated under section 2 of Ontario Regulation 127/85 (Calculation of Average Daily Enrolment), and

- (ii) calculated under section 4 of Ontario Regulation 127/85 (Calculation of Average Daily Enrolment) in respect of a course of study acceptable to the Minister that the board is authorized or required to provide in its day school program in grades 1 to 8 or in a school or class for trainable retarded pupils; and

- (b) multiplying the A.D.E. of the pupil to whom subsection 48 (6) of the Act applies or the A.D.E. of the pupil whose fee is receivable from another board, from Canada or from a band, council of a band or education authority, as the case may be, by the sum of,

- (i) the amount determined under clause (a), and

- (ii) the P.A.C. for such pupil.

(2) Subclause (1) (b) (ii) does not apply to a board that is appointed under section 70 of the Act.

(3) The fee in respect of a pupil referred to in subsection (1) who is enrolled in a high cost program may be increased by multiplying the fee by a factor agreed upon by the board and party from whom the fees are receivable when,

- (a) the ratio of the A.D.E. of such pupils registered in a high cost program for whom fees are receivable by the board from such party to the A.D.E. of pupils enrolled in such high cost program conducted by the board,

is greater than,

- (b) the ratio of the A.D.E. of such pupils for whom fees are receivable by the board from such party to the A.D.E. of pupils enrolled in schools operated by the board.

(4) The factor agreed upon under subsection (3) shall not be greater than 1.23 in the case of a pupil

enrolled in a program of instruction for which credit is granted that is offered in an elementary school to elementary school pupils.

(5) Subsection (3) does not apply in the case of a trainable retarded pupil who does not have the right to attend under subsection 73 (1) of the Act.

(6) Where under this section the board that provides the instruction and the other board or party concerned cannot agree upon a factor, the factor shall be determined by three arbitrators.

(7) The three arbitrators shall be,

- (a) one arbitrator appointed by the board that provides the instruction;

- (b) one arbitrator appointed by the board from which or the party from whom the fee is receivable; and

- (c) one arbitrator appointed by the Minister.

(8) The decision of the arbitrators or a majority of them is final and binding upon the board that provides the instruction and the other board or party concerned. O. Reg. 163/88, s. 3.

4. The fee in respect of a pupil of a board that is appointed under section 70 of the Act and that operates a school in a centre for the treatment of cerebral palsy, a crippled children's treatment centre, a hospital or a sanatorium shall be calculated by,

- (a) adding to the current cost of operating for 1988 of the board that provides the instruction, the portion approved by the Minister for grant purposes of the expenditure for such year for the transportation of pupils and deducting from the total thereof the general legislative grants payable to the board for such year, except a grant that is equal to the cost of education;

- (b) dividing the amount determined under clause (a) by the sum of the days on which each pupil is enrolled at the school; and

- (c) multiplying the amount determined under clause (b) by the number of days for which the pupil whose fee is being calculated is enrolled at the school. O. Reg. 163/88, s. 4.

5.—(1) The fee in respect of a pupil of a board other than a pupil whose fees are receivable from another board, from Canada or from a band, council of a band or education authority authorized by the Crown in right of Canada to provide education for Indians and the parent or guardian of the pupil who is resident in Ontario shall not exceed the fee referred to in subsection (3) or (4), as the case requires.

(2) Subsection (1) does not apply to a board that is appointed under section 70 of the Act.

(3) The fee in respect of one or more pupils whose parent or guardian is not resident in a school section, separate school zone or secondary school district shall not exceed,

- (a) \$64 for each month such pupil or pupils are enrolled in an elementary school operated by the board; and
- (b) \$64 for each month such pupil or pupils are enrolled in a secondary school operated by the board.

(4) In the case of a pupil who is qualified to be a resident pupil of a school section, separate school zone or secondary school district, the fee in respect of the pupil shall not exceed, for each month the pupil is enrolled, the greater of,

- (a) \$64; and
- (b) one-tenth of the sum of,
  - (i) the quotient obtained by dividing,
    - (A) the board's estimate of the excess of its O.E. for 1988 for the year over its R.O.E. for 1988,
 by,
    - (B) the A.D.E. of the board for the year that is in respect of resident-internal pupils of the board, and
  - (ii) the P.A.C.

(5) Where a pupil is enrolled in a high cost program, the amount calculated under subsection (4) may be increased by an amount that takes into account the additional cost to the board of providing the high cost program. O. Reg. 163/88, s. 5.

6.—(1) The fee in respect of a pupil whose parent or guardian does not reside in Ontario shall be such fee as the board providing the instruction to the pupil may determine and, except as is provided in subsection (3), shall not exceed the product obtained by multiplying one-tenth of the sum of the quotient determined under clause 3 (1) (a) and the P.A.C. for the pupil by the number of months during which the pupil is enrolled in such year in a school operated by the board.

(2) Subsection (1) does not apply to a pupil to whom subsection 48 (6) of the Act applies.

(3) The fee in respect of a pupil referred to in subsection (1) who is enrolled in a high cost program shall be determined by multiplying the fee determined under subsection (1) by a factor to be agreed upon between the board that provides the instruction and the party from whom the fees are receivable. O. Reg. 163/88, s. 6.

7.—(1) The fee in respect of a pupil who is not qualified to be a resident pupil of a board for whom an educational program is provided in a hospital or treatment centre shall be such fee as may be agreed upon between the board that provides the program and,

- (a) the parent or guardian of the pupil; or
  - (b) the board of which the pupil is qualified to be a resident pupil.
- (2) Subsection (1) does not apply to a board that provides the educational program where the board,
- (a) is appointed under section 70 of the Act; or

- (e) net deferred income taxes payable,

- (2) The amount in clause (1)(i) is determined by,

- (b) adding the amounts determined in clause (a); and
- (c) multiplying the amount determined in clause (b) by the percentage of equity in the subsidiary that the corporation holds. O. Reg. 167/88, s. 40.

- (b) if no bid and asked prices for the investment have been available to the public within sixty days before the valuation date, at the value for the investment that is determined by a valuator appointed for that purpose; and
- (c) if a value for the investment has not been determined under clause (a) or (b), at the value calculated by reducing the book value of the investment by 25 per cent on the first anniversary of the acquisition of the investment and by 50 per cent on the second anniversary.

(6) If a determination of the market value of an investment in preferred shares under subsection (4) or clause (5)(a) results in a value that is not representative of the true value of the investment and the shares,

- (b) are part of an underwriting in which the issuer raised at least \$50 million in the initial issue,

the determination of the market value of the shares shall be made by a valuator appointed for that purpose.

(3) If a corporation acquires a financial future, financial option or similar instrument and the purpose of the transaction is to hedge against interest rate or similar risks associated with its specific assets and liabilities or groups of specific assets and liabilities through a compensatory price movement contract, any gain or loss shall be deferred until the closure of the hedge.

(4) If a corporation acquires a financial future, financial option or similar instrument other than for hedging purposes, the instrument shall be marked-to-market daily on an individual contract basis, any unrealized loss shall be recognized on that basis in the income accounts, and any unrealized gain shall be deferred until realized. 47.—(1) In this section, "short" in relation to a sale of securities by a corporation means a sale of securities that the corporation does not own or have the right to acquire at the time of making the sale.

(2) If a corporation sells equity or debt obligations short,

- (a) the investment in the short sale contract shall initially be recorded by treating the amount due from the investment dealer as an investment under subsection 166(1) of the Act;
- (b) after the recording referred to in clause (a), the investment in the short sale contract shall be marked-to-market daily, on a contract-by-contract basis, with the accumulated losses, if any, recorded in the corporation's income accounts; and
- (c) all unrealized gains on the investment in the short sale contract shall be deferred except to the extent that the recording of gains would increase the investment to its original value. O. Reg. 167/88, s. 47.

48.—(1) Any premium received for writing an uncovered call option shall be recorded as deferred income until the option lapses or is exercised or until an equal offsetting contract is purchased.

(2) If an uncovered call option,

- (a) lapses unexercised, the premium shall be recorded as income;
- (b) is exercised, the premium shall be included in the gain or loss on the transaction; or
- (c) is offset by the purchase of an equal offsetting contract, the premium previously received shall be netted against the premium paid on the contract purchased, and the net gain or loss shall be recorded in the income accounts at the time of the purchase.

(3) Every uncovered call option shall be marked-to-market daily on a contract-by-contract basis with the accumulated losses, if any, recorded in the income accounts.

#### *Financial Instruments Generally*

49.—(1) When a corporation enters into a transaction mentioned in sections 46 to 48, the corporation shall determine whether the transaction is made for the purpose of either hedging or capital appreciation, and shall document its determination with its accounting records.

(2) All unrealized gains and losses on transactions mentioned in sections 46 to 48 that are entered into for hedging purposes shall be deferred until the closure of the hedge.

(3) All unrealized losses arising from transactions mentioned in sections 46 to 48 that are entered into for capital appreciation purposes shall be marked-to-market daily on a contract-by-contract basis, and all unrecognized gains shall be deferred on a contract-by-contract basis until the termination of the applicable agreement.

(4) After a corporation has made a determination under subsection (1) in respect of a transaction, the corporation shall not change its method of accounting for gains and losses arising from the transaction. O. Reg. 167/88, s. 49.

#### *Asset-Backed Securities*

(3) Any gain on disposition arising from the sale by the corporation of interests in pools of *National Housing Act* (Canada) mortgages under any mortgage-backed securities program may be recorded immediately in the income accounts.

(4) If, under any asset-backed securities arrangement not referred to in subsection (2) or (3), the corporation sells interests in pools of assets and retains administration of the assets on behalf of the purchasers, a portion of the gain on the sale, if any, equal to the maximum loss sustainable by the corporation under any recourse provision of the arrangement shall be treated as deferred income until the maturity of the asset-backed securities. O. Reg. 167/88, s. 50.

#### *Profit Recognition on Asset Sales*

51.—(1) If a corporation sells an asset to a purchaser who is not a restricted party and the purchaser makes a cash down payment of at least 25 per cent of the purchase price, the determination of any gain or loss on the sale may be made without taking into account any reduced rate financing on the sale offered to the purchaser and any commercial and reasonable performance guarantee given to the purchaser.

(2) If a corporation sells an asset to a purchaser who is not a restricted party and the purchaser does not make a cash down payment of at least 25 per cent of the purchase price, the determination of any gain or loss on the sale shall take into account the estimated costs of any performance guarantee given by the corporation and any forbearance of interest. O. Reg. 167/88, s. 51.

52. Gains and losses on the sale of securities must be recognized in the income accounts at the time of the sale. O. Reg. 167/88, s. 52.

#### *Real Estate Project Accounting*

55.—(1) Revenue from the sale of real estate shall not be recognized until,

- (a) the significant risks and rewards of ownership have been transferred to a purchaser in good faith in a transaction in which all sig-

nificant acts have been completed and the corporation does not retain any continuing managerial involvement in the degree usually associated with the ownership of real estate; and

- (b) the collection of the proceeds from the sale is reasonably assured.

(2) For the purpose of subsection (1), significant acts are not considered to be completed until such time as all parties are unconditionally bound by the terms of the contract. O. Reg. 167/88, s. 55.

56. Financing and carrying costs for vacant real estate held for resale or development must be charged to the income accounts as they are incurred. O. Reg. 167/88, s. 56.

#### *Recognition of Fee Income*

57. In sections 58 to 68, "loan fees" means the total of all placement fees, application fees, management fees and all other similar fees payable in respect of a loan, mortgage or lease except those that are unconditionally refundable, and includes,

- (a) loan fees charged to a debtor, mortgagor or lessee for arranging or originating a loan, mortgage or lease;
- (b) commitment fees, including standby and guarantee fees and fees of like nature; and
- (c) interest rate pay-down fees. O. Reg. 167/88, s. 57.

58. Sections 59 to 68 apply if the loan fees for a loan, mortgage or lease or a proposed loan, mortgage or lease exceed the lesser of,

- (a) \$1,000; or
- (b) one per cent of the principal amount of the loan, mortgage or lease. O. Reg. 167/88, s. 58.

59. For the purpose of calculating the amount of loan fees, fees charged to a third party are deemed to be fees charged to a debtor, mortgagor or lessee if the third party and the debtor, mortgagor or lessee are related or associated, or if the third party sold the mortgaged property to the mortgagor. O. Reg. 167/88, s. 59.

60.—(1) Loan fees must be recognized as revenue, as an adjustment of the contractual interest rate over the deemed expected term of the loan to which the fees relate, and must be amortized on a time proportion basis so as to result in a constant interest rate adjustment to the yield on the loan.

(2) The deemed expected term of a loan is the contractual maturity date unless,

- (a) the borrower has a right to renew the loan according to the contract terms, in which event the expected term is deemed to be extended in accordance with the right;
- (b) the maturity date according to the contract occurs within the year, and in light of the economic substance of the financing it may reasonably be expected that the loan will be renewed, in which event the expected term is deemed to be three years; and
- (c) there is no contractual maturity date, in which event the expected term is deemed to be five years after the contract date.

(3) For the purposes of subsection (2), the deemed expected term of a loan is not affected by any prepayment rights that the borrower is entitled to exercise. O. Reg. 167/88, s. 60.

61.—(1) Direct costs relating to a loan, mortgage or a lease, including finders fees and commissions, legal fees and appraisal and other direct costs paid to independent third parties, may be recognized on the same basis as loan fees.

62.—(1) Nonrefundable commitment fees shall be accounted for as deposits and may not be recognized as revenue while the commitment, by its terms, remains unexpired.

(2) A commitment fee for an expired unexercised commitment shall be recognized as revenue as of the date of expiry.

(3) A commitment fee for a commitment that is exercised shall be treated as a loan fee for the resulting loan by the corporation. O. Reg. 167/88, s. 62.

63.—(1) Unconditionally refundable fees shall be accounted for as deposits until the fees are refunded.

(2) Refundable fees subject to conditions shall be treated as deposits until the conditions are resolved, at which time the residual amount shall be treated as loan fees. O. Reg. 167/88, s. 63.

64.—(1) When a loan, mortgage or lease is sold or the balance of the loan, mortgage or lease is extinguished in the ordinary course of business, any related unamortized loan fees shall be recognized as revenue upon the sale or extinguishment.

(2) Subsection (1) does not apply in the case of sale unless all risks and rewards of ownership have been transferred in good faith to an independent third party. O. Reg. 167/88, s. 64.

65. If the terms of a loan, mortgage or lease permit prepayments of principal in an amount that exceeds 25

per cent of the balance outstanding and a prepayment is made, the amortization of the unamortized loan fees may be correspondingly accelerated in the proportion that the amount of the prepayment bears to the balance outstanding. O. Reg. 167/88, s. 65.

66. When a corporation ceases to recognize the contractual interest rate on a loan, mortgage or lease as income because of the doubtful collectibility of the balance of the loan, mortgage or lease, no unamortized fees shall be amortized until the loan, mortgage or lease ceases to be in arrears. O. Reg. 167/88, s. 66.

67.—(1) When a loan, mortgage or lease is renegotiated because of adverse circumstances of the debtor, mortgagor or lessee, or is otherwise restructured, any unamortized fees from the original loan, mortgage or lease shall be treated as loan fees for the renegotiated transaction.

(2) If proceedings for foreclosure or under a power of sale in a mortgage are begun, any unamortized loan fees for the mortgage shall be netted against the outstanding balance of the mortgage. O. Reg. 167/88, s. 67.

68. In any transaction in which a corporation acquires an asset, any fee received by the corporation from the vendor to complete the transaction shall be recorded as an adjustment to the purchase price of the asset. O. Reg. 167/88, s. 68.

#### *Troubled Loan Refinancing or Restructuring*

69. For the purposes of sections 70 to 75, a troubled loan refinancing or restructuring occurs when a corporation, for economic or legal reasons related to the borrower's financial difficulties, grants a concession to the borrower that it would not otherwise consider. O. Reg. 167/88, s. 69.

70.—(1) The amount of any loss resulting from a troubled loan refinancing or restructuring in which only the repayment terms of the loan are modified shall be determined by calculating the discounted value of the total future cash receipts for the loan under the modified terms, and subtracting that amount from the discounted value of the total future cash receipts for the loan under the original terms.

(2) A loss determined under subsection (1) must be recorded as a loss in the income accounts at the time of the refinancing or restructuring and the book value of the loan adjusted accordingly. O. Reg. 167/88, s. 70.

71.—(1) If the discounted value of the total cash receipts for a loan under a troubled loan refinancing or restructuring is greater than the discounted value of the total cash receipts for the original loan, interest income for the refinanced or restructured loan shall be calculated in accordance with the effective interest rate determined under subsection (2).

(2) For the purpose of subsection (1), the effective interest rate for the refinanced or restructured loan is

the discount rate that equates the present value of future cash receipts under the refinanced or restructured loan with the amount of the recorded investment. O. Reg. 167/88, s. 71.

72.—(1) Any payment for a loan following a troubled loan refinancing or restructuring that is received,

- (a) within six months after the refinancing or restructuring, if the payment is collectible monthly; or
- (b) within one year after the refinancing or restructuring, if the payment is collectible other than monthly,

shall be applied in reduction of the outstanding principal amount of the loan, and shall not be attributed to interest income.

(2) After subsection (1) ceases to apply, interest income may be recorded at the effective interest rate of the loan, which is deemed to be the discount rate that equates the present value of the future cash receipts under the terms of the refinancing or restructuring with the amount of the outstanding principal. O. Reg. 167/88, s. 72.

73.—(1) If a troubled loan refinancing or restructuring involves the partial repayment of the loan by way of consideration other than cash and modifies the repayment terms of the loan,

- (a) the fair market value of the non-cash consideration must be determined and accounted for as a partial repayment of the loan; and
- (b) any loss resulting from the refinancing or restructuring shall be calculated in accordance with section 69.

(2) For the purposes of subsection (1), no value shall be ascribed to any contingent consideration receivable such as rights to future profit participations.

(3) No amount payable to the corporation as contingent consideration may be recognized as interest or other income until it is received. O. Reg. 167/88, s. 73.

74. All legal fees and other costs incurred with respect to a troubled loan refinancing or restructuring shall be expensed as they are incurred. O. Reg. 167/88, s. 74.

75.—(1) All fees received by a corporation in respect of a troubled loan refinancing or restructuring shall be treated as deferred income until the loan is paid in full.

(2) Despite subsection (1), if, under a troubled loan restructuring or refinancing, the borrower provides additional security having a market value at least equal to 50 per cent of the value of the security given under the original loan, the fees received by the corpo-

ration in respect of the refinancing or restructuring shall be accounted for as set out in sections 57 to 68. O. Reg. 167/88, s. 75.

#### *Favourable Rate Financing*

76.—(1) This section applies in respect of a loan made by a corporation to a third party,

- (a) at an interest rate that is more than two percentage points below the corporation's normal lending rate for comparable loans with similar collection risks; and
- (b) in connection with the disposition of real estate acquired by the corporation through a mortgage foreclosure or a loan restructuring.

(2) The amount of the discount on a loan described in subsection (1) is the difference between,

- (a) the discounted value of the total future cash receipts for the loan, calculated using the corporation's normal lending rate for comparable loans with similar collection risks in lieu of the contractual interest rate for the loan; and
- (b) the discounted value of the total future cash receipts for the loan at the contractual interest rate.

(3) A discount on a loan determined under subsection (2) must be recorded as a loss in the income accounts at the time the loan is made and the book value of the loan adjusted accordingly. O. Reg. 167/88, s. 76.

#### *Provision for Losses*

77.—(1) Any accumulation for known, probable and possible losses shall be deducted from the applicable asset.

(2) No sum in addition to provisions for known, probable and possible losses and bookable contingencies may be appropriated.

(3) Any addition to an accumulation for known, probable and possible losses shall be created by a charge to the income accounts. O. Reg. 167/88, s. 77.

78. A loss of any nature shall be included in the income accounts when the loss is incurred. O. Reg. 167/88, s. 78.

## PART IX

  - (i) the book value of goodwill and other intangible assets including copyrights and patents,
  - (ii) the book value of deferred charges, and
  - (iii) the amount, if any, that is the excess of the aggregate book value over the aggregate market value of all assets that are securities and debt obligations issued or guaranteed by any government, including a municipal government, or by any government agency. O. Reg. 167/88, s. 79.

80. For the purposes of section 79,

- (a) provisions or allowances for losses of a general nature must be deducted from the most closely applicable class of assets;
- (b) cash deposits in financial institutions must be offset against overdrafts with financial institutions;
- (c) the equity method of accounting must be used when calculating the corporation's investment in the shares of a subsidiary;
- (d) assets administered for estates, trusts and agencies must not be included in the calculation of total assets; and
- (e) the book value of an asset is the cost or amortized cost of the asset less accumulated depreciation, provisions or allowances for losses and received but unearned interest. O. Reg. 167/88, s. 80.

## PART X

96.—(1) No trust moneys may be admitted to and no participation may be withdrawn from a Fund except on the basis of the trust corporation's valuation of the Fund and except as of a valuation date.

(2) The value of the Fund and its units shall be determined within ten business days following the valuation date.

(3) When a participation or any part thereof is withdrawn from a Fund, the amount withdrawn may, in the discretion of the trust corporation, be paid in cash or rateably in kind, or partly in cash and partly rateably in kind, but all payments or transfers as of any one valuation date must be made on the same basis.

(4) No admission of trust moneys to or withdrawal of a participation from a Fund is permitted if the

result would be that less than 25 per cent of the remaining assets of the Fund would be composed of one or more unencumbered liquid assets that are in a form described in Schedule 2, but this subsection does not apply to prohibit a rateable distribution upon all participations.

(5) If, because of a change in circumstances, an investment held by a Fund does not continue to meet the eligibility criteria under the plan of operation of the Fund for a new investment, and the state of ineligibility continues for a period of six months, no admission to or withdrawal from the Fund may be made except as set out in subsection (6).

(6) Admission to and withdrawal from a Fund in the circumstances set out in subsection (5) may be made,

(5) An investment, other than a mortgage, that is not listed on any stock exchange shall be valued as of the valuation date,

- (a) if bid and asked prices for the investment have been available to the public within sixty days before the valuation date, at the average of the most recent available bid and asked prices; or

(7) The value of an investment in a mortgage is the present value of the mortgage calculated using the current interest rate to the maturity of the mortgage.

(8) If a dividend on a share has been declared but not received by the Fund, and the dividend is considered to be income under the plan of operation of the Fund, the amount of the dividend shall be deducted from the price of the share unless the share price is an exdividend price.

(9) If the Fund has purchased an investment and has not paid for it pending delivery of the investment, the investment shall be valued as an investment held by the Fund and the cash accounts adjusted accordingly.

#### Extra-Provincial Applications:

**NOTE:** The Minister of Transportation for Ontario proposes to issue licences to these applicants if no objection is served on the applicant and filed with the Ontario Highway Transport Board within twenty-nine days of this publication. Any interested person who serves and files an objection must also provide the Ontario Highway Transport Board with written evidence, within thirty-nine days of this publication, that satisfies the Board that, in the absence of evidence to the contrary, the operation of the undertaking in respect of which the licence is sought would likely be detrimental to the public interest.

## PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the Council of the Corporation of the County of Simcoe intends to apply to the Legislative Assembly of the Province of Ontario for the passing of a Private Bill.

The purpose of the Bill is as follows:

1. To retain the fairest and most equitable method of representation on County Council.
2. To prevent the size of County Council, presently at 43 members, from increasing dramatically at the next municipal election.
3. To provide for a moderate increase of Council size on a long term basis.

In order to accomplish the foregoing, the legislation will alter the composition of County Council so that the deputy reeve of a local municipality does not become a member of the council unless the municipality has a minimum of 9,750 municipal electors instead of the current 7,500. The number of votes that a reeve or deputy reeve is entitled to as a member of council is still based on the number of municipal electors of the municipality but the reeve and deputy reeve are entitled to multiple votes at a lesser population level than currently exists.

Supporters and opponents should notify the Clerk of the Legislature of their wish to make submissions and it is recommended that supporters and objectors submit to the Clerk a brief summary of their proposed submissions.

Communications should be addressed to the Clerk of the Legislative Assembly, Legislative Building, Queen's Park, Toronto, Ontario M7A 1A2, Telephone No. (416) 965-1406.

## Environmental Assessment Act

O.C. 533 88

On the recommendation of the undersigned, the Lieutenant Governor, by and with the advice and concurrence of the Executive Council, orders that

WHEREAS section 14 of the *Environmental Assessment Act* provides that where the Minister of the Environment has accepted an environmental assessment of an undertaking, the Minister may with the approval of the Lieutenant Governor in Council, give approval to proceed with the undertaking subject to such terms and conditions as the Minister considers necessary, or refuse to give approval to proceed with the undertaking;

WHEREAS, having considered the purpose of the Act, the environmental assessment, as accepted, of the undertaking, which is the subject of the attached notice, and the submissions received, the undersigned Minister of the Environment is of the opinion that the undertaking should be given

approval to proceed, subject to the terms and conditions specified in the attached notice; and

WHEREAS no timely notices requiring a hearing have been received by the Minister of the Environment;

THEREFORE, pursuant to the provisions of the *Environmental Assessment Act*, the undertaking which is the subject of the attached notice, be given approval to proceed subject to the said terms and conditions.

Recommended

JIM BRADLEY,  
Minister of the Environment.

Concurred

JIM BRADLEY,  
Chairman.

Approved and Ordered, March 9, 1988.

LINCOLN M. ALEXANDER,  
Lieutenant Governor.

#### SECTION 14

#### NOTICE OF APPROVAL TO PROCEED WITH THE UNDERTAKING

RE: An Environmental Assessment for the Indian/McGregor Creek Flood Control Project

Proponent: Lower Thames Valley Conservation Authority

EA File No. CA LT 02

TAKE NOTICE that the period for requiring a hearing, provided for in the *Notice of Acceptance of the Environmental Assessment* for the undertaking, expired on February 10, 1988. I have received no notices requiring a hearing by the Environmental Assessment Board with respect to approval to proceed with the undertaking from persons entitled to require a hearing and I do not consider it advisable that a hearing be held.

Having considered the purpose of the Act, the Environmental Assessment of the undertaking as accepted and the submissions received, I hereby give approval to proceed with the undertaking, subject to the following terms and conditions:

1. Prior to commencement of construction the proponent will conduct a detailed archeological survey of all lands affected by the construction of the undertaking, and identify measures to mitigate impacts, in consultation with the Heritage Branch of the Ministry of Citizenship and Culture.

2. The proponent will adhere to the Ministry of the Environment's protocol for controlling noise and vibration as set out in the Review of this Environmental Assessment.
3. The proponent will undertake to notify police, fire and ambulance services if local roadways are affected during construction.
4. Any waterworks which the Environmental Assessment requires be provided by the Chatham Public Utilities Commission as a result of the construction and operation of this undertaking shall not be proceeded with unless either a separate approval is obtained under the Act or its development proceeds under the Class Environmental Assessment for Municipal Sewage and Water Projects, 1987 but this condition does not relieve the proponent from using its best efforts to obtain all necessary approvals for such works and proceeding with them once such approvals are received.
5. The proponent will consult with Ontario Hydro to determine, and be responsible for, any special protection measures, modifications or relocation of Hydro facilities considered necessary by Ontario Hydro.

#### Reasons:

My reasons for giving approval are:

1. On the basis of the proponent's Environmental Assessment and the Review, the proponent's conclusion that, on balance, the advantages of this undertaking outweigh its disadvantages appears to be valid.
2. No other more beneficial alternative method of implementing the undertaking was identified.
3. On the basis of the proponent's Environmental Assessment, the Review and the conditions of approval, the construction, operation and maintenance of the undertaking will be consistent with the purpose of the Act (section 2).

Dated at Toronto this 9th day of March, 1988.

JIM BRADLEY,  
Minister of the  
Environment,  
135 St. Clair Ave., West,  
15th Floor,  
Toronto, Ontario M4V 1P5.

### PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the Council of the Corporation of the County of Simcoe intends to apply to the Legislative Assembly of the Province of Ontario for the passing of a Private Bill.

The purpose of the Bill is as follows:

1. To retain the fairest and most equitable method of representation on County Council.
2. To prevent the size of County Council, presently at 43 members, from increasing dramatically at the next municipal election.

3. To provide for a moderate increase of Council size on a long term basis.

In order to accomplish the foregoing, the legislation will alter the composition of County Council so that the deputy reeve of a local municipality does not become a member of the council unless the municipality has a minimum of 9,750 municipal electors instead of the current 7,500. The number of votes that a reeve or deputy reeve is entitled to as a member of council is still based on the number of municipal electors of the municipality but the reeve and deputy reeve are entitled to multiple votes at a lesser population level than currently exists.

Supporters and opponents should notify the Clerk of the Legislature of their wish to make submissions and it is recommended that supporters and objectors submit to the Clerk a brief summary of their proposed submissions.

Communications should be addressed to the Clerk of the Legislative Assembly, Legislative Building, Queen's Park, Toronto, Ontario M7A 1A2, Telephone No. (416) 965-1406.

## Applications to Parliament

### PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the Council of the Corporation of the County of Simcoe intends to apply to the Legislative Assembly of the Province of Ontario for the passing of a Private Bill.

The purpose of the Bill is as follows:

1. To retain the fairest and most equitable method of representation on County Council.
2. To prevent the size of County Council, presently at 43 members, from increasing dramatically at the next municipal election.
3. To provide for a moderate increase of Council size on a long term basis.

In order to accomplish the foregoing, the legislation will alter the composition of County Council

so that the deputy reeve of a local municipality does not become a member of the council unless the municipality has a minimum of 9,750 municipal electors instead of the current 7,500. The number of votes that a reeve or deputy reeve is entitled to as a member of council is still based on the number of municipal electors of the municipality but the reeve and deputy reeve are entitled to multiple votes at a lesser population level than currently exists.

Supporters and opponents should notify the Clerk of the Legislature of their wish to make submissions and it is recommended that supporters and objectors submit to the Clerk a brief summary of their proposed submissions.

Communications should be addressed to the Clerk of the Legislative Assembly, Legislative

Building, Queen's Park, Toronto, Ontario  
M7A 1A2, Telephone No. (416) 965-1406.

# MOTOR VEHICLE TRANSPORT ACT, 1987

## GOVERNMENT NOTICE

### Guidelines for Public Interest Tests

As the Minister of Transportation is responsible for controlling and licensing truck operations within the Province of Ontario, the Minister is for the purpose of the Motor Vehicle Transport Act, 1987, (MVTA) the "Provincial Transport Board" as defined in the M.V.T.A. Any hearings held by the Ontario Highway Transport Board (OHTB) under the M.V.T.A. are therefore on behalf of the Minister.

Accordingly these guidelines are being issued to the OHTB setting out matters to be considered when determining questions of Public Interest. While these guidelines provide general guidance and assistance to the OHTB in administering the public interest test, the OHTB must still consider the evidence at each hearing on its own merits and has the freedom to consider other matters which in the OHTB's opinion are relevant to the public interest and reflect the general intent of these guidelines and the legislation.

#### *Purpose of Policy Statement*

To set out matters that the OHTB (the Board) will consider in determining applications for operating licences under Part II of the Motor Vehicle Transport Act, 1987.

#### *General Statement of Extra-Provincial Entry Policy*

In determining whether an extra-provincial truck undertaking would likely be detrimental to the public interest, the Board shall evaluate the advantages and disadvantages to the public interest. An application will be denied only when its disadvantages outweigh the advantages.

#### *Procedural Guidelines*

These guidelines, particularly the time limits, in 5 and 9 below, are for the guidance of the Board but should be met whenever practical. Parts of the guidelines are mandated by legislation in which case the Board will have no latitude in their application.

1. Written application for a licence under the Motor Vehicle Transport Act shall be made by the applicant setting forth required information and facts on the form provided by the Ministry.
2. If the applicant meets the fitness requirements of the Act and the Minister is prepared to issue an operating licence, notice of the application and intention will be made public (gazetted).
3. A person who requests a public interest test must make out a written case to the Board demonstrating that the granting of the operating authority applied for is likely to have a

significant detrimental effect on the public interest.

4. For information purposes, a copy of the written case will be served by the respondent on the applicant at the same time it is submitted to the Board.
5. Upon receipt of the written evidence the Board will determine the necessity of a hearing. If the Board determines that a hearing is required, notice of the hearing will be made public (gazetted), and the Board shall hold the hearing within 55 days of first receiving the written case.
6. The Board will hear the presentation of the respondent's evidence of detriment.

#### *Public Interest Guidelines*

1. In determining whether or not the operation of an extra-provincial undertaking would be detrimental to the public interest, the Board shall in all cases give primary emphasis to the users of truck transportation services. The impact on a respondent or respondents shall not, in and of itself be considered detrimental to the public interest. The Board shall give consideration to the following factors:
  - (i) the importance of international and inter-provincial trade
  - (ii) the needs and desires of shippers and consumers in large and small communities in Canada with respect to:
    - Current and future availability of trucking and alternative transport and service options
    - availability of innovative methods of operation by truck or other modes that enhance efficiency or broaden consumer choice
    - effects on productivity and efficiency of the users of trucking or other transportation services
    - reduced trucking or other transportation costs
  - (iii) The effects on the national social and economic development of Canada including:
    - the net impact on jobs in all sectors of Canadian industry, with primary consideration given to national

effects and secondary consideration to regional implications

- productivity and competitiveness of Canadian industries
- the stimulation of an environment which will allow market forces to operate freely and will promote entrepreneurship

2. In assessing detriment to the public interest the adequacy of existing service is not a consideration, unless it can be shown that existing service is inadequate.

Having received a request from The Corporation of the Town of Cobourg that an undertaking, namely:

the proposal to extend the existing vertical fill contours and operate as an interim measure, the existing and licensed Town of Cobourg Landfill Site located approximately 13 kilometres east of Cobourg, immediately south of Highway 401 on Lot 31 and 32, Concession 1, Haldimand Township in Northumberland County for the disposal of its domestic, commercial and non-hazardous solid industrial wastes be exempted from the application of the *Environmental Assessment Act* pursuant to section 29; and

A. The Town has limited disposal capacity remaining under the current Emergency Certificate of Approval No. A311702 issued to

the Town of Cobourg on August 13, 1986 and undue delay in implementing an interim expansion would not be in the best interests of the municipality. The development of a long term waste management strategy has been undertaken by the Town.

- B. Other available interim waste management options are not suitable or will result in a significant increase in waste disposal costs.

Having weighed such injury, damage or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

- A. The expansion of existing vertical fill contours at the existing landfill site is clearly an interim measure for which there are no other reasonable waste management alternatives which can be implemented within the necessary time frame.
- B. The proposal to increase the existing fill contours of the Cobourg Landfill Site is not a major undertaking. The waste disposal site has been in operation since 1958 and is an established and accepted land use. Interim alternatives which have been evaluated include waste incineration and waste transport to an alternate site. It was concluded by the Town of Cobourg that these alternative options are not suitable as an interim solution.
- C. The existing Landfill Site is operating under Emergency Certificate of Approval No. A311702 and the interim expansion of the Cobourg Landfill Site is subject to the requirements of the *Environmental Protection Act*. It is expected that pursuant to this Act, a public hearing will be required. This hearing will give local residents the opportunity to provide input to the Environmental Assessment Board and in turn to the Director on the technical aspects of this proposal. There has been no public response to notices published in the local and County newspapers.
- D. No useful purpose would be served by conducting an environmental assessment or further hearings under the *Environmental Assessment Act* on the suitability of the Cobourg Landfill Site for landfill purposes. The Town of Cobourg has initiated a long-term waste management strategy and is a participant in the development of the North-

umberland County Solid Waste Master Plan, which is expected to take approximately four years. This Solid Waste Master Plan will be implemented in accordance with the *Environmental Assessment Act*.

- E. The interim expansion and operation of the Cobourg Landfill Site would be subject to the terms and conditions of this order.

This exemption order is subject to the following terms and conditions:

1. That application be made to the Ministry of the Environment to amend Emergency Certificate of Approval No. A311702 under Part V of the *Environmental Protection Act*.
2. That the Ministry of the Environment be satisfied the interim expansion of the site is supported by detailed hydrogeological and engineering studies.
3. That a site monitoring program be approved by the Ministry of the Environment and that regular monitoring of the site be conducted.
4. That this exemption order does not imply that an exemption will be granted to other ancillary or related activities.
5. Where any activity which otherwise would be exempt under this order is being carried out as or is part of an undertaking for which an environmental assessment has been accepted and approval to proceed received, the activity shall be carried out in accordance with any terms or conditions in the approval to proceed as well as the conditions of this order.
6. Where any activity which is the subject of this order is being carried out as or is part of another undertaking which is the subject of an exemption order under the Act, the activity exempt under this order shall be carried out in accordance with any terms or conditions in the other exemption order as well as the conditions in this order.
7. No waste shall be deposited at the site pursuant to this order more than five years after the date of any Provisional Certificate of Approval or Certificate of Approval issued for the purpose of this order, or after approved landfill contour limits for the site are reached, whichever should occur first.

Dated this 31st day of March, 1988.

Exemption—Ministry of Natural Resources—MNR-50/2.

Made—April 15th, 1988.

Approved—April 15th, 1988.

Filed—April 22nd, 1988.

### ORDER MADE UNDER THE ENVIRONMENTAL ASSESSMENT ACT

#### EXEMPTION—MINISTRY OF NATURAL RESOURCES—MNR-50/2

Having received a request from the Minister of Natural Resources that an undertaking, namely:

The activities of providing and operating new fish culture facilities at the following sites:

1. Tarentorus, District of Algoma, Township of Tarentorus, Parts of Sections 16 and 17;
2. Harwood, Northumberland County, Township of Hamilton, concessions 8 and 9, parts of lots 1 and 2;
3. Lake Simcoe, Simcoe County, Township of Vespra, concessions 3 and 4, parts of lots 7 and 8;
4. Blue Jay Creek, District of Manitoulin, Township of Tehkummah, concessions I and II, parts of Lot 5, Concession B, parts of lots 29, 30, 31

be exempt from the application of the Act pursuant to section 29; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

- A. The Crown will be damaged by the unnecessary expense of having to prepare and submit Environmental Assessments for activities which are expected to have minimal negative impacts on the environment.
- B. The public and tourist industry of Ontario will be damaged by a drop in angler satisfaction and tourism benefits resulting from a reduction in native fish production unless the Ministry of Natural Resources proceeds with the proposed undertaking.
- C. The economically important lake whitefish fishery in Lake Simcoe may suffer from extinction within ten years unless the Ministry proceeds with the Lake Simcoe fish culture facility.

Having weighed such injury, damage or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

- A. Existing fish culture facilities are not capable of meeting the increased production required to maintain and rehabilitate existing fish stocks.
- B. Stocking of lake whitefish must be increased to prevent its extinction in Lake Simcoe.
- C. The Ministry of Natural Resources will construct and operate the exempted facilities in a manner to minimize any potential negative impacts upon the environment and co-operate with the Ministry of the Environment in any necessary monitoring to ensure acceptable effluent levels.
- D. The purpose of this exemption order is only to extend the time provided in condition 4 of exemption order MNR-50, filed as O. Reg. 536/84, for commencement of construction and to enable a larger buffer zone to be acquired for the Blue Jay Creek Fish Culture Facility.

This exemption is subject to the following terms and conditions:

1. This exemption does not apply to the acquisition of properties other than those listed below:
  - (a) Lake Simcoe Fish Culture Facility, Part of Lot 7, Concession 4, Township of Vespra, in Simcoe County;
  - (b) Blue Jay Creek Fish Culture Facility, Part of Lot 5, Concessions I and II, part of lots 29, 30 and 31, Concession B, Township of Tehkummah in Manitoulin District.
2. MNR shall have applied for and received permits and certificates of approval under section 20 (taking of water) and section 24 (sewage works) of the *Ontario Water Resources Act* or have applied therefore and received written advice from the Director that it will receive them if certain conditions are met for each fish culture facility before commencing construction of water supply facilities or sewage works and before taking any water for fish culture purposes and shall not construct or operate a facility except, in

accordance with the applications, permits and approvals or conditions as they may be amended from time to time.

3. Construction activities for the projects which are the subject of this exemption shall be carried out in accordance with the Ministry of Natural Resources Construction and Mitigation handbook for Ministry of Natural Resources Class Environmental Assessment Projects, November, 1982. These requirements shall be included as part of the contract specifications for any contracts which are let for the construction of the facilities.
4. Any fish culture facility which forms part of the undertaking which is exempt under this order may not be constructed unless construction of that fish culture facility commences prior to December 31, 1988.
5. Exemption order MNR-50, filed as O. Reg. 536/84, is revoked and replaced with this order. O. Reg. 243/88.
